

Christmas Without Cancer

Dear Friends,

Christmas Without Cancer (CWC) is a local 501(c)3 NFP that was started 22 years ago by an oncology nurse, Gerri Neylon. Gerri was moved by the struggles of families that were undergoing cancer treatments and the physical, emotional, and financial expenses of the disease. The organization began by "adopting" a family affected by cancer during the Christmas season. CWC provided the family with gifts and gift cards to offset their financial needs.

Unfortunately, cancer strikes families all year, and assistance is needed daily. The goal of CWC is to help families, not only at Christmas, but throughout the year. When a family member receives a cancer diagnosis, any loss of income has implications for the entire family.

CWC has been dedicated to supporting thousands of families in the Southland area, within a 30-mile radius of Oak Lawn, IL, since its inception. The year 2024 marked a significant milestone for CWC, as they assisted 598 families over the course of the year and brought holiday cheer to 114 families during Christmas. This was made possible through generous contributions, which included:

- \$190,833.57 in financial aid for mortgage or rent, tuition, and essential household expenses,
- \$88,613.42 to spread much-needed holiday joy, and
- \$71,506 in gift cards for gas, medications, and groceries.

Our goal is to raise the much-needed funds that will enable us to continue our mission of helping families fighting this disease during challenging times. We are asking for your support to achieve our goal with sponsorship or in-kind donation (deadline May 16, 2025). Any donation you or your company could make would be appreciated.

On behalf of the Christmas Without Cancer team and the local cancer patients and families who will benefit from your generosity, we thank you for your consideration!
